

Prophet of Terror -- Part 4

In the last article, I articulated the three main motivations of Mohammad's heinous actions. To reiterate, these reasons were:

1. His fanatic greed for all the wealth that had been created by the blood, sweat and toil of the Jews
2. His maniacal craving for power at any cost. The Jews were the biggest obstacle in his plan to subjugate all of Medinah, so they had to be removed, by any means possible.
3. His fear of all other religions. Mohammad was a delusional Megalomaniac, meaning he believed that he was the Supreme Ruler of the world. Anything that threatened this sick fantasy of his, had to be exterminated. Since, the religion of the Jews rejected his pathetic claims to Divine rule, they were the targeted victims in Medinah, just as the Polytheistic Arabs had been his victims in Mecca.

As the frequency of his criminal raids and attacks on Jews, Christians and Pagan Arabs increased to a fever pitch, Mohammad's megalomania began evidencing itself more openly. He started implementing his systematic objectives of completely suppressing all opposition around Medinah and plundering as much wealth as he could get his hands on, in order to support his final thrust of attacking Mecca.

11) Massacre of Jewish Tribesmen

Date: February 628 A.D

Place: Outskirts of Medinah

Victims: Banu Sa'd Tribe, Thirty Jews from Khaybar

Mohammad was forcing all the tribes around Medinah to make alliances with him and consider him as the primary power in the area. Any tribe who refused to bow down to the Muslim's terrorist tactics, was immediately subjected to extreme torture and death. Banu Sa'd was a peaceful tribe which was allied with the Jewish Tribesmen of the prosperous oasis of Khaybar. Mohammad was pathological in his fear of opposition. Having murdered all the Jews in and around Medinah, who could pose a potential threat to his rabid bid for power, the Prophet of Islam now was turning his attention to the only possible threat in the area, Khaybar. The Jews of Khaybar had remained neutral when the Meccans had planned a counterattack on Medinah. This enraged Mohammad all the more and fuelled his savage desire to destroy them and tribes like the Banu Sa'd that was linked to them. He sent out a terrorist group of assassins led by Ali. The expedition massacred hundreds of innocent Banu Sa'd tribespeople. They raped all the women and children and stole 500 camels and 2000 goats and sheep. A unit of thirty murderous assassins were hand-picked by the Epitome of Mercy, to infiltrate the surrounding areas of Khaybar as well.

They disguised themselves as Emissaries of PEACE from Mohammad. The Jewish Leader, Usayr Ibn Razim agreed in the interest of peace to accompany them back to the Prophet. He set out with thirty of his men, following the Muslims. As soon as they were out of sight of Khaybar, the muslims fell upon the innocent and hapless Jews and chopped them into

pieces. Upon returning Mohammad himself came out to greet his assassins. He embraced the leader of the expedition and exclaimed " It was Allah surely, who saved you from the company of the oppressive non-believers". The above example should amply demonstrate what a man of honour, the great Mohammad was. Indeed it can only be a truly pious person who would trick people with an offer of peace and cold-bloodedly MURDER them. Mohammad's intense hatred for the thorns in his flesh, namely the Jews, began manifesting itself in the spate of vitriolic Revelations, that he conjured up to justify his atrocities on the Jews.

[al-Ma'idah 5:64]

"The Jews say: "Allah's hand is tied up".
Be their hands tied up and be they ACCURSED
for the blasphemy that they utter. Nay, Both
his hands (Allah's) are widely outstretched:
He giveth and Spendeth as he Pleaseth.
But the revelation that cometh to Thee (Mohammad)
from Allah increaseth in most of them their
obstinate rebellion and blasphemy. Amongst
them we have placed ENMITY and HATRED till
the day of Judgement. Every time they kindle
the fire of War, Allah doth extinguish it;
But they ever strive to do mischief on earth.
And Allah loveth not people who do mischief."

The bit about Jews saying "Allah's hand is tied up" is referring to their protest at the fact that Mohammad and the Muslims had taken control of all the wealth. The Jews who had initially helped the Muslims, when they had nothing, now had every morsel of food snatched from them. The sarcastic comment therefore referred to the fact that it seemed like Allah's hands were tied when it came to providing even a meagre sustenance for the starving, oppressed Jews, at the mercy of the pious band of criminals of Allah. But even more pathetic is Mohammad's claim that the reason the Jews were acting so damned rebellious and obstinately opposing the Muslims, was that they were JEALOUS that Allah had hand-picked Mohammad to get his murderous revelations. This is laughably incredulous and mortifying considering the fact that Mohammad pieced together so many of his Koranic revelations, by distorting and twisting parts of the Jewish and Christian scriptures. Even more repugnant is the fact that a Prophet claiming to be the Messenger of a supposedly all beneficent and Merciful God, wishes nothing but ENMITY, HATRED, EVIL and CURSES on the Jews. Do such emotions sound like the wishes of a religious figure that preaches PEACE??? The Prophet of Islam was nothing but a wellspring of malice, hatred and blind poisonous jealousy.

12) Murder of Bedouins in and Meccans on the road to Syria

Date: January- February 628 A.D.

Place: Dumat-Al-Jandal, a trading center enroute to Syria, The Well of Qarda atNejed

Victims: Bedouin women, Meccan Caravan

Zayd Ibn Haritha, the adopted son of the Prophet who divorced his wife, so that his Good Old Dad could have the pleasure, was sent to attack traders in Syria. The Bedouins who were also trading at the outpost, got wind of the Muslims nefarious plans, took up arms and drove away the would-be raiders. Zayd was furious that his plans had been foiled so successfully. He targeted an elderly woman of the same Bedouin Tribe, because she

exerted considerable influence and wealth. On a dark moonless night, the aged 90 year old woman was grabbed ruthlessly from her tent. She was tied up and trussed like a chicken and brought back to the Muslim camp. Upon arrival she was gang raped and molested by the pious followers of Allah. She was whipped and beaten to an almost lifeless pulp. The sadistic impulses of the Muslims however did not end there, the night's entertainment was not done yet. The eerie desert night, suddenly resounded with the cheers and throaty cries of bloodlust as the Bedouin matron's arms and legs were tied to four camels. Zayd and three others of Mohammad's select group, then climbed onto each camel and drove each one into opposite directions. As the wrinkled body was ripped apart in a blur of torn and bloodied flesh, cries of delight echoed all around. Such were the entertainment activities of the Peace loving followers of Allah.

Soon after at the Well of Qarda in Nejed, Zayd along with 170 men attacked a hapless trade caravan of Meccans who were returning from Syria. They massacred most of the traders and took two of the men prisoner. But most important of all, the Muslims grabbed a sizeable booty from this cold blooded massacre. They plundered more than a hundred thousand dirhems from this raid. It is no wonder then, that Zayd Ibn Haritha was an "Exalted Martyr". According to Mohammad himself "And Zayd, the Freedman of Muhammad, counted his freedom as naught compared with the service of Muhammad and Islam."

All of these activities, were of course, motivated by the divine words of Wisdom, spoken by the Messenger of Allah.

[al-Ma'idah 5:33]

"The punishment of those who wage war against Allah and His Messenger, and strive with might and main for mischief through the land is: Execution, or Crucifixion, or the Cutting and Removing Off of hands and feet from OPPOSITE sides, or exile from the land: That is their disgrace in this world and a heavy punishment is theirs in the Hereafter."

The gruesome spectacle of the Bedouin woman being torn apart, now makes sense. The act was DIRECTLY sanctioned by Allah himself in this Revelation. The plunder and and massacre of the Meccans too, were completely pious Islamic acts as the following verse evidences:

[al-Ma'idah 5:33]

" And many gains will they (Pious Muslims) acquire besides, and Allah is Exalted in Power, full of Wisdom. Allah has promised you many gains that ye shall Acquire and he has given you these beforehand; and he has restrained the hands of Men from you; so that it may be a sign for the Believers and that he may guide you to a Straight Path. And other gains there are, which are not within your power now, but which Allah has compassed for you and Allah has Power over all things."

Allah is giving his kind blessings to the merciful and pure Muslims, to go out and PLUNDER and acquire as many "Gains" as their hearts desire. But Allah's bribes are far more quantitative, he is generous to a fault and will not stop there. Allah is giving his beloved Muslims assurance, that there will be Far more Wealth to plunder in the future. Not only that, Allah will "restrain the hands" of Men from harming the Muslims, so that they can keep on raping, pillaging and murdering throughout the land. Allah surely knows how to give Muslims a good deal in exchange for all the blood that they will shed for him and the messenger of Peace.

13) Slaughter of all Jews in Khaybar

Date: September 628 A.D

Place: Khaybar and surrounding areas

Victims: Over 500 Jews of Khaybar

Khaybar was the wealthiest Oasis in the Hejaz. The settlement of neutral Jews who inhabited the Oasis were known for their business acumen. Over the years, they had by their own efforts, sweat and toil converted the small Oasis into a flourishing Trade Center of agricultural goods. They were renowned for their extreme generosity, good naturedness and peacability. In other words, the small jewel of a town was like the juiciest piece of meat, which a Vulture like Mohammad could never resist. Mohammad could no longer control his slaving desire to attack Khaybar. His immense greed for the fabulous wealth of the Oasis had overwhelmed him. He had been systematically eradicating all the potential tribes that could support Khaybar. Allies of the Khaybar Jews, like the Bedouin Tribe of Ghatafan and the Jewish Tribe of Banu S'ad had been cold bloodedly eliminated and exhorted so that Khaybar would be without friends. The Prophet set out with 1600 men and laid siege to the Oasis. Although greatly outnumbered, the brave Jews fought bravely and staved off the bloodthirsty Mob of Muslims, for over 14 days. In the end the sheer disadvantage of numbers and the starving state of their children forced the Jews to surrender. They emerged with all their, weapons, foodstuffs and wealth, pleading only for the lives of themselves and their families. Instead the Exalted Messenger of Peace, instructed his army to do exactly as they pleased. The frenzied Muslims pounced upon the helpless Jews and murdered every man they could lay their hands on. Women and children were raped brutally and repeatedly. The Prophet led the way as usual. His eye had fallen upon the most beautiful captive in Khaybar, a Jewess called Safia Bint Huyay. As she stood there traumatised and anguished at having just witnessed her father and fiancée being hacked to pieces, the Prophet threw his cloak on her to claim as his booty. Minutes later he savagely consummated his "marriage" to her in a sand dune with the blood and gore of Jihad still covering him, even Saifya's father's blood, no doubt. There was no time for a sponsor, dowry, sending out invitations, or a wedding feast, in fact, Muhammed forgot his own law of waiting until her next monthly period had passed. Today we call that rape, but according to the Prophet of Allah, he was just securing her with the bonds of "holy Matrimony". Indeed the Prophet had committed himself to saving widows in need by marrying them! The remaining women and children who were rounded up were traded in the slave market or retained to be brought up as brainwashed sex slaves, professing Islam.

Allah's Divine Injunctions had naturally preceded the carnage at Khaybar. As usual the Merciful Allah condoned the slaughter, plunder and rapine committed by Mohammad and his band. :

[al-Ahzab 33:26]

"And those of the People of the Book

(Jews) who Aided Them (Meccans) - Allah did take them from their strongholds and cast terror into their hearts, so that Some Ye Slew and Some Ye made Prisoners. And he made you heirs of their Lands, their Houses, and their Goods. And of a Land, which Ye had not frequented before (Khaybar) and Allah has Power over all things."

[al-Baqarah 2:222]

"They ask Thee concerning Women's courses. Say to them: "They are a Hurt and a Pollution: So keep away from women in their courses (menstrual periods) and do not approach them until they are clean. But when they are purified, Ye may approach them in any manner, time or place. Ordained for you by Allah, for Allah loves those who turn to him constantly and he loves those who keep themselves Pure and Clean."

As mentioned above, Mohammad himself had received this "Revelation" that Muslims shouldn't be having sex with women whose monthly period had not passed.

Mohammad of course had outright violated the above rule himself, when he raped Safiya in a beautiful Islamic Wedding ceremony at Khaybar. The Prophet of Wisdom was in a fix. He had no justification for violation of a rule, that he himself had claimed was set by Allah. The only solution was of course, the timely production of some Revelation that would save his ass. Allah in his typical meek and patient manner, was only too happy to oblige. Out spewed two Verses, directly from the quivering Holy Messenger's mouth.

[at-Tahrim 66:1-2]

"O Prophet! Why holdest Thou to be forbidden That which Allah has made Lawful to Thee? Thou seekest to Please Thy consorts. But Allah is Oft-Forgiving,
