

Islamic hell-torture chamber for unbelievers

In this article we shall describe the Islamic Hell which was an imagination of Prophet Mohammad used primarily for two reasons:

- 1.To have a torture chamber for all the unbelievers (unbelievers and people of other religions)
- 2.To terrorize people into accepting Islam.

The purpose of Hell in Islam is not to punish the Muslim wrong-doers. Because, for them Mohammad will recommend paradise, beautiful virgins and young boys in the Day of Judgment. His recommendation is final and Allah cannot deny it. It is available to all murderers, rapists, arsonists, cheats, thugs, pickpockets and pimps provided they are following Islam. On the contrary, a flaming Hell is reserved only for all Zoroastrianian, Hindus, Sikhs, Jews and Christians, no matter how pious and God-fearing they may have been.

The below section deals with the brutal instructions Prophet Mohammad gives to his followers about unbelievers and how to torture and murder them ruthlessly.

Instructions to Muslims about Unbelievers:

[at-Taubah 9:29]

Fight those who do not profess the true faith (Islam) till they pay the jiziya (poll tax) with the hand of humility.

So here Prophet Mohammad is instructing a true Muslim to fight people of other religions until the unbelievers debase themselves and pay tax for their existence. So the greatness of Islam is revealed only when followers of other religions are humiliated.

[al-Anfal 8:12]

Remember Thy Lord inspired the angels (with the message): "I am with you: give firmness to the believers, I will instill terror into the hearts of the unbelievers, Smite ye above their necks and smite all their finger tips of them."

Here Mohammad is giving step by step instruction on how to torture and kill unbelievers if they don't follow Islam.

[at-Taubah 9:5]

"Then, when the sacred months have passed, slay the idolators wherever ye find them, and take them (captive), and besiege them and prepare for them each ambush. But if they repent and establish worship and pay the poor-due, then leave their way free. Lo! Allah is Forgiving, Merciful."

In the above verse Prophet Mohammad is clearly instructing his followers to kill the idolators in any brutal way possible until the idolators submit themselves to Islam. Allah is indeed merciful !!

[at-Taubah 9:73]

Prophet, make war on the unbelievers and the hypocrites and deal rigorously with them. Hell shall be their Home: an evil fate.

Here Mohammad is trying to justify his brutal acts. He conveniently claims divine justification for the expression of his hatred by saying Allah himself revealed to him personally that people of other religions are evil and belong in Hell. Therefore, according to Mohammad any barbaric act against the unbelievers is completely justified.

[an-Nisa' 4:144]

Believers, do not choose the unbelievers rather than the faithful as your friends. Would you give Allah a clear proof against yourselves ?

This verse clearly states that a Muslim can only befriend a Muslim. Mohammad in order to ensure that his followers will not befriend and get influenced by people of other religions, revealed this verse. This verse illustrates that if a Muslim befriends a Non-Muslim then the wrath of Allah will be on him. Therefore in Islam, people of other religions should be treated with contempt, disrespect and cruelty.

[Muhammad 47:4]

When you meet the unbelievers in the Jihad strike off their heads and, when you have laid them low, bind your captives firmly. Then grant them their freedom or take ransom from them, until War shall lay down her burdens.

In the above verse, Mohammad is giving detailed instruction about how to maim and torture unbelievers in Jihad. And finally when the Muslims are satisfied enough after torturing and maiming the unbelievers, they should proceed to demand ransom for the captives. All for the sake for all-merciful Allah !!

[al-Ma'idah 5:33-34]

The only reward of those who make war upon Allah and His messenger and strive after corruption in the land will be that they will be killed or crucified, or have their hands and feet and alternate sides cut off, or will be expelled out of the land. Such will be their degradation in the world, and in the Hereafter theirs will be an awful doom; Save those who repent before ye overpower them. For know that Allah is Forgiving, merciful.

In this verse, Mohammad devises another recipe for torturing unbelievers. This particular recipe involves chopping off alternate limbs and expelling the unbelievers (people following other religions) out of the land.
